ALLIGATOR

BISON

CARIBOU

A

Guide Danny Sant Angelo of the Brady Ranch and harvester **Carl Godwin** lead **Ken and Ryan Wilson** on a wild chase for alligators near Lake Okeechobee, Florida. Two alligators are harpooned on a night hunt by airboat and one is rifle-hunted during the day among swamps and sloughs, where the retrieval of the trophy is riskier than the hunt. *Watch your step!*

B

Guide Vern Eckstrom of Custer State Park leads **Ken Wilson**, assisted by **J.D. Andrews**, in search of a Boone & Crockett bison. After visits to Mt. Rushmore, the Crazy Horse Memorial, and the historic city of Custer, the hunters look over hundreds of bison before making a successful stalk on a 9-year old monster that is even more dangerous dead than alive! *Don't get close!*

C

Lad Shunneson and **Ken and Ryan Wilson** follow their Inuit guides, **John Alikamik** and **Roy and Isaac Inuktalik**, on the *first-ever summer hunt* for arctic islands caribou. Camping along Prince Albert Sound, Victoria Island for this historic hunt arranged by **Bill Tait** and **David Grindlay** of Adventure Northwest, each hunter succeeds in taking a beautiful specimen.
