

PACHMAYR'S TRAPSHOOTING

Join former California State and International Trap Champion Ken Robertson as he analyzes the fundamentals of trapshooting.

At each station, you'll learn from computer-generated graphs and observe Ken as he instructs 5 students in stance, gun hold, eye hold, timing and lead.

Good trapshooters are made, not born. Qualified instruction and practice are the keys to true enjoyment of the sport. With the convenience of DVD format, you can improve your trapshooting skills at your own pace.
