

"The forgotten stories and selfless sacrifices made by the American men and women who valiantly served in the Great War come together to offer a lasting reminder of our brave heritage in this documentary."

- Jason Buchanan, *All Movie Guide*

"How I wish this DVD had been available when I was teaching World History to high school students!"

- Betty Jo Tucker, *ReelTalkReviews.com*

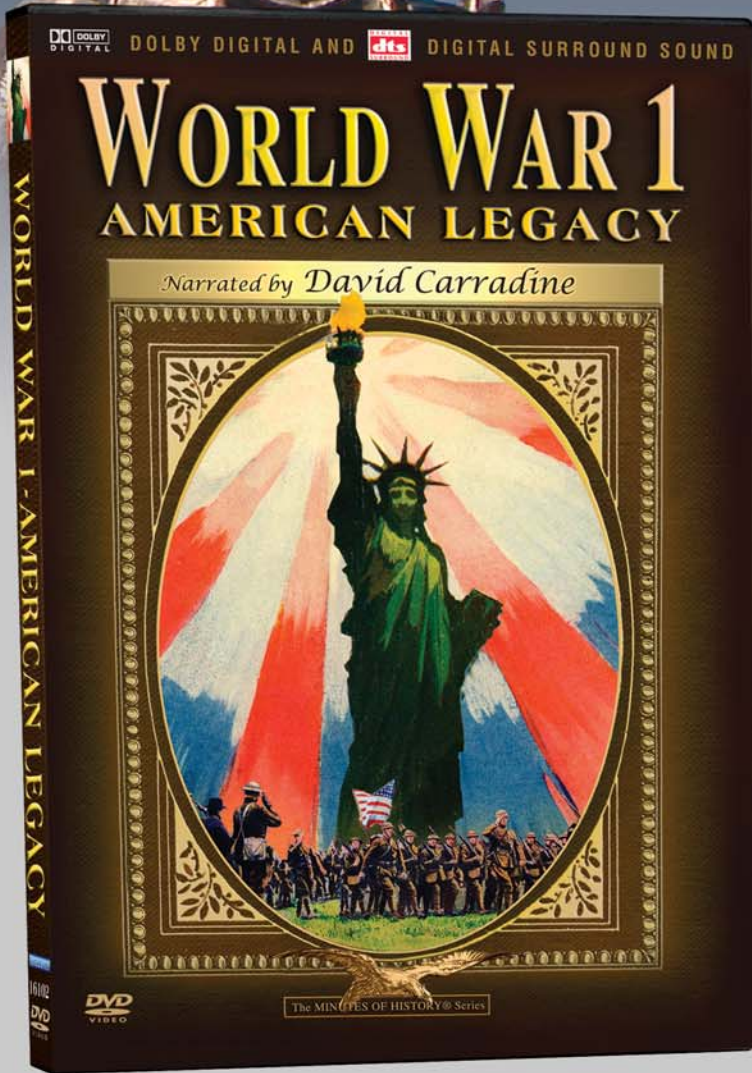

"Shot in high definition and blending period music, photos, newspaper illustrations, artwork, maps and drawings, this powerful documentary chronicles American involvement in the Great War. An excellent resource." - Carol Holzberg, *Booklist*

"David Carradine's very effective narration is supplemented with period music; visuals include period art and illustrations, still and moving images, and contemporary location footage. A good choice." - Mary Mueller, *School Library Journal*

World War 1 – American Legacy vividly tells the many forgotten stories of the men and women who served in the Great War, reminding Americans of their impact on our country that can still be felt today.

Charles Whittlesey of the Lost Battalion and Father Duffy of the Fighting 69th became famous for surviving against impossible odds, while Pilots Victor Chapman, Quentin Roosevelt and ambulance drivers like Richard Hall made the supreme sacrifice.

Filmed in high definition and full of period music, photographs and monuments, **World War 1 – American Legacy** includes rare images that have never been seen before on screen, bringing the extreme detail of the Great War to life.
